

## Route description Dairy research facility

Please enter the following address in your GPS: Sambeeksedijk 10a, Sint Anthonis, Netherlands.

Coming from the A73 and/or from Boxmeer office take the Boxmeerseweg N272 direction Gemert and at the first roundabout turn left into Stevenbeekseweg.

After 600 meters turn left into Sambeeksedijk. At the entrance of Sambeeksedijk, the traffic sign indicates that entrance by car is not allowed:

The sign at the bottom in Dutch says that destination traffic is allowed, so you can use this road. After 1,5 km you will see the Dairy Research Facility on the right side: Upon entering the area, please use the parking lot on the right side.

From the parking lot, walk to the largest shed with the black metal outdoor staircase. Use the stairs to access the meeting room on the first floor. Restrooms and a kitchen are located adjacent to the meeting room.
