AGENDA

**FEED
MANUFACTURING
SUMMIT 2026**

MONDAY 12TH OF OCTOBER

- Arrival at the hotel Only You Atocha
- Welcome dinner at the RAMSÉS RESTAURANT

TUESDAY 13TH OF OCTOBER | DAY 1 - FULL DAY STARTS AT 08:00 AM

Expert Talks

- Quality starts before production
- Achieving mixing efficiency and uniformity
- Producing the perfect pellet
- Optimizing conditioning and steam quality
- Beyond pelleting, bringing the best pellet to your customer

Interactive Panel Discussion

- Learn from industry peers and field experts how to overcome challenges throughout the production and turn opportunities into results

Exclusive Social Activity

Guided Santiago Bernabeu Stadium Experience

Dinner at Puerta 57 restaurant (inside the stadium)

Join us for an exclusive evening at the iconic **Santiago Bernabéu Stadium**, home of Real Madrid. Enjoy a behind-the-scenes stadium tour followed by dinner in this unique setting, offering the perfect opportunity to exchange ideas, and strengthen relationships with industry peers.

Join industry experts and peers for two days of learning, networking and inspiration for unlocking the full potential of your feedmill.

We look forward to welcoming you in Madrid!

AGENDA

**FEED
MANUFACTURING
SUMMIT 2026**

WEDNESDAY 14TH OF OCTOBER | DAY 2 - FULL DAY ENDS AT 05:00 PM

Expert Talks

- Unlock the power of dosing technology
- Step onto the production floor
- Explore critical control points at the feed mill

Put theory into practice during an exclusive visit to one of Nutreco's leading feed manufacturing facilities in Spain. Guided by our experts, you will learn how to identify critical control points and spot opportunities for improvement in a real production environment.

Closing Dinner

Restaurant El Jardín de Arzábal

THURSDAY 15TH OF OCTOBER

- Departure

Travel Information – Arriving in Madrid

Accommodation: Only YOU Hotel Atocha

Address:

Paseo de la Infanta Isabel 13, 28014 Madrid, Spain
Only YOU Hotel Atocha is conveniently located directly opposite Atocha Train Station, one of Madrid's main transport hubs, making it easy to reach from Madrid-Barajas Airport (MAD).

From Madrid-Barajas Airport (MAD):

By taxi: Approximately 20–30 minutes, depending on traffic.

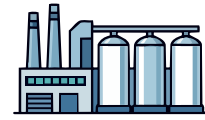

By airport train (Cercanías CI): Direct connections are available from Terminal 4 to Atocha Station.

Join industry experts and peers for two days of learning, networking and inspiration for unlocking the full potential of your feedmill.

We look forward to welcoming you in Madrid!

AGENDA

**FEED
MANUFACTURING
SUMMIT 2026**

Our Speakers

Alex Ammann is a Swiss feed and food milling specialist with over 30 years of industry experience. Educated at the Swiss School of Milling (SMS) and the School of Feed Technology (SFT), he serves process technologist and trainer at Bühler and SFT, delivering feed manufacturing training worldwide.

Dr. Jean-Michel Nebout is a microbiologist specialised in feed and food industry with more than 38 years of experience. Throughout his career, he has supported feed manufacturers in improving sanitation, process control, and feed safety programs. He serves as advisor on best practices in feed manufacturing, contamination control, and plant design.

Jeffrey Huijsmans is Global Dosing Manager at Selko Feed Additives with nearly two decades of experience in dosing equipment for feed manufacturing. He leads the global dosing equipment team and supports feed producers worldwide in improving dosing accuracy, feed safety, and operational efficiency.

Adrián Muñoz Blázquez is a feed manufacturing specialist based in the Madrid region, part of Nutreco's feed production team in Spain. With hands-on experience in feed production and plant operations, he supports best practices in manufacturing, quality, and feed safety, helping drive operational excellence across Spain's feed production facilities.

Join industry experts and peers for two days of learning, networking and inspiration for unlocking the full potential of your feedmill.

We look forward to welcoming you in Madrid!
